California Department of Education School Accountability Report Card Reported Using Data from the 2020 - 2021 School Year Published During 2021 - 2022

For: Florin Elementary

Address: 7300 Kara Dr, Sacramento, CA 95828 Phone: 916-383-0530
Principal: Wilbert Villalta Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- · For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2021 - 2022)

Florin Elementary

A Community of Lifelong Learners!

Dear Students and Families,

Florin Elementary provides a unique and wonderful educational experience for children, from the physical and emotional safety of the campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. The Florin Elementary School community is committed to excellence in education in an environment where all children can succeed.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Our success in implementing the district's mission can be evidenced through our school's special strengths, which include:

Student commitment to learning

Involvement of our parent community

Promoting and maintaining a climate that celebrates diversity

Parent support and involvement continue to be important aspects of the success at Florin Elementary. This support is given, recognized, and appreciated in many different ways. Some parents help plan the programs and policies, while others serve as classroom and library volunteers, or plan family activities. Parents also support student success by providing space, time and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important to the family.

The safety of our students is this school's first priority. Our Positive Behavioral Interventions and Supports (PBIS) plan dictates school-wide behavioral expectations, school-wide positive incentive programs, individual behavioral contracts when necessary, and one-on-one counseling for many students. Our three main rules--Be Safe, Be Respectful, Be Responsible--help to create an atmosphere where our students feel comfortable and secure.

Wilbert Villalta, Principal Florin Elementary

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- · School facilities are maintained in good repair.

Note: Our district doesn't have access to the matched CDE/CTC data to complete these tables, however, the CDE will populate these tables in the near future.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements (School Year 2021 - 2022)

Our school has 31 classrooms, a Learning Center, a computer lab, a multipurpose room, a library, and an administration building. Our custodial team and grounds team take great pride in maintaining our facility in clean, safe, and functional condition. The FIT inspection indicates that all areas of the school are maintained appropriately. The district governing board has adopted cleaning standards for all schools in the district. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The school is cleaned nightly and bathrooms are inspected every two hours throughout the school day. There are no corrective actions necessary at this time.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Installation of new shade structures in our main playground is scheduled to begin on December 2021. Florin Elementary is anticipating a major renovation including new carpeting, and for all the classrooms in the summer of 2022.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

• Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- SARC Reporting in the 2020 2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.
- Options: Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:
 - Smarter Balanced ELA and mathematics summative assessments;
 - Other assessments meeting the SBE criteria; or
 - Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.
- College and Career Ready: The percentage of students who have successfully completed courses that satisfy the
 requirements for entrance to the University of California and the California State University, or career technical education
 sequences or programs of study.

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

• Pupil outcomes in the subject area of physical education.

California Physical Fitness Test Results (School Year 2020 - 2021)

9	N/A	N/A	N/A

Note: Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2021 - 2022)

There are a number of ways to become involved with your child's education. Our School Site Council assists the principal with important governance decisions. We host our annual Back to School Night, Open House, Harvest Festival, Parent University and regularly scheduled parent conferences during the year. Parents are always welcome to volunteer in their child's classroom. For more information on parent involvement opportunities, you may contact the School Secretary, Maria Del Toro Gonzalez, at 916-383-0530.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- · Pupil suspension rates;
- · Pupil expulsion rates; and
- · Other local measures on the sense of safety.

Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

School Safety Plan (School Year 2021 - 2022)

At our site, we believe that safety is foundational to providing an optimal learning environment. Our district is committed to providing a safe, secure environment for learning. Our staff reviewed and updated our School Safety Plan in February 2021. The school is surrounded by fencing and visitors are asked to check in and enter the premises through the office. Adult supervision is provided before and after school. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2021 - 2022)

At Florin Elementary, we have highly qualified staff to assist students with special learning needs. Our Learning Center services not only special education students, but also general education students who need additional support to meet our rigorous standards. English Language Development instruction helps our English Learners access the core curriculum. Students who need extra tutoring or homework help can participate in our daily after school program. Our Title I program offers interventions for students struggling in both English Language Arts and Math.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our district's Grade Level Reading Program keeps our Tk-3 teachers up to date on the most current reading instruction strategies. Over 50% of our teachers are AVID trained. This professional development supports an engaging and rigorous learning environment with a focus on college and career readiness. In addition, our school has frequent grade level meetings in which teachers review data, determine students' strengths and weaknesses, and plan instruction to meet students' needs. New teachers who have been teaching less than two years are supported by the district's beginning teacher program. They meet weekly with a mentor to discuss successes and challenges and implement new ideas. The district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning computer skills and learning more efficient practices.

Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

^{*}At or above the grade-level standard in the context of the local assessment administered.

Note: LEAs/schools will populate this table for schools in cases where the school administered a local assessment.

Note: LEAs/schools will populate double dashes (--) in this table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: In cases where all the schools in this LEA administered only the CAASPP for ELA assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this LEA.
